3 Checkthat Task 2

3.1 Submission Status and No. Of submissions:

The screenshot shows the CodaLab competition interface. At the top, there's a header with the CodaLab logo, navigation links (My Competitions, Help), and a user profile (sz06571). Below the header, a banner displays the competition phases: 'First phase' (Subtask-2A-Subjectivity-Arabic, April 29, 2024, midnight UTC) and 'End' (Competition Ends, May 7, 2024, noon UTC). The main content area has tabs for 'Learn the Details', 'Phases', 'Participate', and 'Results'. Under 'Participate', there's a sidebar with 'Get Data', 'Files', and 'Submit / View Results'. The main panel shows the 'Subtask-2A-Subjectivity-English' phase description, including submission limits (200 per day, 3000 total, 300 MB max) and a table of submissions. The table shows one submission: 'subtask2A_english.zip' with a submission date of 05/05/2024 14:09:58, size of 13200 bytes, and status 'Finished'.

#	FILENAME	SUBMISSION DATE	SIZE (BYTES)	STATUS	✓
1	subtask2A_english.zip	05/05/2024 14:09:58	13200	Finished	+

3.2 Task 2 Leaderboards:

4 Summary

The above screenshots and Leaderboard pictures show both of our submissions in each of our Tasks. In Task 1, although the name on the leaderboard is **sz06571**, they will change it to our team name later to **Checker Hacker** which is already been mentioned in the leaderboard of Task 2.

Overall, we achieved 14th Position in Task 1 with a **F1 score of 0.696** (Note: F1 score of Dev-test was 0.87) and 4th position in Task 2 with a **F1 score of 0.7081** (Note: F1 score of Dev-test was 0.81)
